Teaching and Parenting for High Potential: Meeting the Needs of Diverse Learners

UTAH ASSOCIATION FOR GIFTED CHILDREN ANNUAL CONFERENCE

January 28-31, 2010

YOU WON'T WANT TO MISS THIS!

Obtain the latest research on **effective practices** from national experts.

Learn from colleagues in sessions about proven classroom techniques and **research-based curriculum**.

Acquire a focused approach to addressing the unique needs of your gifted children **based on national standards and best practices**.

Discover how to **address the needs of high ability learners** in a "NCLB" environment.

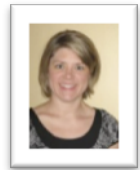

Find out how to work specifically with **gifted students who live in poverty**.

Featuring Dr. Joyce VanTassel-Baska

Dr. VanTassel-Baska has worked as a consultant on gifted education in all 50 states and for key national groups, including the U.S. Department of Education, National Association of Secondary School Principals, and American Association of School Administrators. She has also consulted internationally and is the Past-President of the National Association for Gifted Children. She has published widely and has received numerous awards for her work.

also Featuring Dr. Tamra Stambaugh

Dr. Stambaugh is currently the director of Vanderbilt's Programs for Talented Youth. She has enjoyed a variety of experiences in education, including classroom teacher, teacher of gifted students, coordinator of gifted services and professional development consultant. She is the co-author of *Comprehensive Curriculum for Gifted Learners* and *Overlooked Gems: A National Perspective on Low-Income Promising Students*.

Topics include:

- Meeting the Needs of Low-Income Promising Students
- Research-Based Curriculum for High-Ability Students
- Content-Based Strategies for Meeting the Needs of Diverse Learners
- Structuring Your Classroom for Student Success
